

Shaping Materials by Evaporative Flow ("the fadeout effect")

Thursday, 02 October 2008

Last Updated Sunday, 09 November 2008

Dear All

Tom Witten who is visiting us for two days would like to give a seminar about some new developments in his research work. The seminar will be this Thursday at 3 pm in the Physics Department of Universidad de Santiago (Seminar room, 3rd floor).

Best, Regards.
